Message from the Chairperson

Dear Parents and Students,

Thousands of students drain out from Nepal in search of quality education to India and other countries every year. There are Nepalese who have the capacity to run high quality educational institution in Nepal itself. Therefore, it has become futile for students to go abroad with a view to attaining quality education. Padmashree offers international quality education at an affordable cost.

Proper development of both head and heart leads an individual towards sustainable fast growth in career and life. For that, every student needs an environment conducive to self-learning with team work, nurturing and guidance by experienced mentors and teachers. Recognizing this fact, we have designed and launched many innovative activity oriented student-centered talent development programs for our students to ensure their wholehearted involvement. In fact, many of our activities and events are initiated and managed by the students themselves. This enriches the students' team work abilities and project management skill that are crucial for success in their career.

At Padmashree, students get an opportunity to learn and respond to newer challenges, identify and seize opportunities and discover their own talent through trust and partnership in learning. Come, join Padmashree and grow with us.

Thank You!

Arna Raj Silwal, M.Sc. (Structural Engg.)
Chairperson

BA (Hons) in Business & Hospitality Management (BABHM)

This program enhances the students' knowledge and builds their capacity enabling them to work in various departments within the hospitality industry. The program was designed from extensive industry input and was developed with a focus on progressive learning in four key hospitality and tourism industry areas including management, finance, human resources and marketing. Ultimately, this program gives you the career mobility to dive into challenging supervisory positions within the hospitality and tourism sector or optionally soar in a business specialization in any industry.

Learning with Actions

Your learning at Padmashree will be full of actions throughout the course period. Beyond the regular course works, you will be actively engaged in relevant field trips and industrial visits. Studying and analyzing real life-cases; participating in group discussion, interaction programs, seminars and workshops; and organizing such events by yourself will be your regular activities. To develop your overall personality, you will actively participate in orientation programs, sport events, cultural programs and other such functions.

Guidance and Counseling

Padmashree has set up a Guidance and Counseling Center to take the students right from admission to placement or further study in Nepal and abroad. Students will be supported in the following areas by qualified counselors at all times.

- u Pre- admission Counseling
- u Academic Performance Counseling
- u Behavioral Counseling
- u Career Counseling
- u Placement Counseling
- u Entrepreneurship & Business Development Support
- u Further Study Counseling (Nepal and abroad)

Campus Interview

Padmashree has made a provision of campus interview in which the corporate sectors are invited to interview our students as their future employees, so our students get instant job offers upon their graduation.

Internship & Placements

Padmashree has good rapport and contacts with private, government, semi-government and non-government sectors in Nepal and also in India and abroad. Our students will have internship privilege at leading organizations to enhance and apply their academic knowledge in real job situations and make them more practical oriented settings.

Furthermore, Padmashree has set up an individual placement cell that help our students to secure their desired jobs in national and international markets.

CSR at Padmashree

You won't only get opportunities to lay foundation for setting your academic and professional career but also to develop yourself as a socially responsible person. The CSR team at Padmashree will work with you individually and collectively to help to develop ethical values and behaviors that encourages you to contribute positively towards the change of society.

Student's Organizations and Services (SOS)

We encourage our students to get involved in College-recognized student organizations. It is a worthwhile experience that helps you grow—socially and in areas of leadership—while establishing lifelong friendships along with your academic journey.

Padmashree International College has various students clubs like:

Nilai University was established as Nilai College in 1997 and was upgraded to a university college in 2007 and a full-fledge university in 2012. The Malaysian Qualifications Agency rated Nilai University as Excellent (Setara 5) in 2011 and has reaffirmed this in the latest rating exercises undertaken in 2013.

Recognition and Equivalence

The courses of Padmashree International College are recognized by UGC, Nepal and Ministry of Education Nepal. Tribhuvan University has granted equivalency to the Nilai's programs offered by Padmashree.

Our degree programs are widely accepted by reputed universities and colleges around the world. These intuitions provide a lateral entry to the degree holders of our programs into advance level programs at their intuitions. Few of the institutions with such arrangements are as follow.
